Collection: Cotswold Lane

The classic styling of the Cotswold Lane lighting collection by Feiss features the look of dentil molding at the top of each pane of beveled glass which adds to the more formal, traditional aesthetic of this antique gas lantern-inspired collection. The LED option features advanced, warm-on-dim LED technology that warms in color when dimmed, going from 2700K to 2200K and is California Title 24 compliant. Cotswold Lane is available in three finish options: Black with Clear Beveled glass, Grecian Bronze with Clear Beveled glass and Black with Clear Seeded glass.
