These schoolhouse fixtures are sure to turn heads. Vintage glass with a chic, retro silhouette creates the classic look of the Ingalls Collection. Inspired by old drive-ins and train car-style diners, these schoolhouse lights have been created in select contrasting metal finishes for a fresh, modern update. Blown by artisans into bold, striking molds, the glass creates a contemporary look. Glass shades are offered in two sizes; large and medium, and in two colors; Clear Glass and Vintage Milk Glass.
