## Installation Considerations

- For best results, Hansgrohe recommends that this unit be installed by a licensed professional plumber.
- Please read over these instructions thoroughly before beginning installation. Make sure that you have all tools and supplies needed to complete the installation.
- To prevent scald injury, the maximum output temperature of the shower mixing valve (not included) must be no higher than 120°F (49°C). In Massachusetts, the maximum output temperature can be no higher than 112°F (44°C).

**⚠ This product is intended as a showerhead support only. Do not hang other items from the shower arm.**

- Keep this booklet and the receipt (or other proof of date and place of purchase) for this product in a safe place. The receipt is required should it be necessary to request warranty parts.

## À prendre en considération pour l'installation

- Pour de meilleurs résultats, Hansgrohe recommande que ce produit soit installé par un plombier professionnel licencié.
- Veuillez lire attentivement ces instructions avant de procéder à l'installation. Assurez-vous de disposer de tous les outils et du matériel nécessaires pour l'installation.
- Pour empêcher des blessures par ébullantement, la température de sortie maximale du robinet de douche ne doit pas excéder 120°F (49°C). Au Massachusetts, la température de sortie maximale du robinet de douche ne doit pas excéder 112°F (44°C).

**⚠ Ce produit est conçu uniquement pour servir de support de pomme de douche. N'accrochez pas d'autres articles sur le bras de douche.**

- Conservez ce livret et le reçu (ou une autre preuve sur laquelle figurent la date et l'endroit de l'achat) pour ce produit dans un endroit sûr. Le reçu est requis si vous commandez des pièces sous garantie.

## Consideraciones para la instalación

- Para obtener mejores resultados, la instalación debe estar a cargo de un plomero profesional matriculado.
- Antes de comenzar la instalación, lea estas instrucciones detenidamente. Asegúrese de tener las herramientas y los insumos necesarios para completar la instalación.
- Para evitar escaldaduras, la máxima temperatura de salida de la válvula de la ducha no debe exceder los 120°F (49°C). En Massachusetts, la máxima temperatura de salida de la válvula de la ducha no debe exceder los 112°F (44°C).

**⚠ Este producto está destinado a ser soporte del cabezal de ducha únicamente. No cuelgue otros objetos del brazo de ducha.**

- Mantenga este folleto y el recibo (u otro comprobante del lugar y fecha de compra) de este producto en lugar seguro. El recibo se requiere en caso de ser necesario solicitar piezas bajo garantía.

## Installation / Installation / Instalación

This showerhead requires a properly secured NPT 1/2 drop-ear ell.

It also requires an NPT 1/2 nipple long enough so that when it is connected to the mounting piece and installed in the ell, the end of the mounting piece extends at least 3/4" (20 mm) outside the surface of the finished ceiling.

Cette pomme de douche nécessite un coude applique NPT 1/2 bien fixé.

Elle nécessite également un raccord fileté NPT de 1/2 po suffisamment long pour que, lorsqu'il est raccordé à la pièce de montage et installé dans le coude applique, l'extrémité de la pièce de montage dépasse d'au moins 3/4 po (20 mm) de la surface du plafond fini.

Este cabezal de ducha requiere un codo NPT de 1/2" correctamente asegurado.

Además, requiere un niple NPT de 1/2" lo suficientemente largo para que, cuando se conecta a la pieza de montaje y se instala en el codo, el extremo de la pieza de montaje se extienda al menos 3/4" (20 mm) por fuera de la superficie del cielo raso acabado.

Wrap the threads on both ends of the nipple using plumber's tape.

Screw the mounting piece onto the nipple.

Enroulez les filets aux deux extrémités du raccord à l'aide de ruban de plomberie.

Vissez la pièce de montage sur le raccord.

Envuelva las roscas en ambos extremos del niple con cinta de plomero.

Enrosque la pieza de montaje al niple.

Install the mounting piece / nipple assembly into the ell. Tighten using a 12 mm Allen wrench.

Installez la pièce de montage/l'assemblage de raccord dans le coude. Serrez à l'aide d'une clé hexagonale de 12 mm.

Instale la pieza de montaje/ensamble del niple en el codo. Ajuste usando una llave Allen de 12 mm.

The end of the mounting piece should extend at least  $\frac{3}{4}$ " (20 mm) outside the surface of the finished ceiling..

Install the anchor plate.

L'extrémité de la pièce de montage devrait dépasser de  $\frac{3}{4}$  po (20 mm) à l'extérieur de la surface du plafond fini.

Installez la plaque d'ancrage.

El extremo de la pieza de montaje debe sobresalir al menos  $\frac{3}{4}$ " (20 mm) por fuera de la superficie del cielo raso acabado.

Instale la placa de anclaje.

Mark the positions of four screw holes.

---

Marquez les positions des quatre trous de vissage.

---

Marque las posiciones de los cuatro orificios para tornillos.

Remove the mounting plate.

---

Retirez la plaque de montage.

---

Quite la placa de montaje.

Drill the screw holes using a 1/4" (6 mm) bit.

⚠ **Do not drill into any water lines!**

Percez les trous de vissage à l'aide d'une mèche de 6 mm (1/4 po).

⚠ **Ne percez pas dans une conduite d'eau!**

Perfore los orificios para tornillos con una broca de 1/4" (6 mm).

⚠ **¡No perforo las tuberías de agua!**

Install the anchors.

⚠ **Seal the ceiling around the anchors.**

⚠ **Seal the ceiling around the mounting piece.**

Installez les chevilles.

⚠ **Scellez le plafond autour des chevilles à l'aide d'un agent d'étanchéité.**

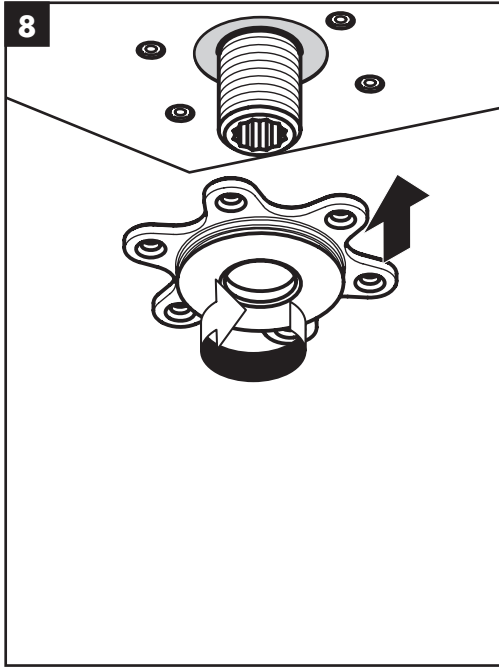

⚠ **Scellez le plafond autour de la pièce de montage à l'aide d'un agent d'étanchéité.**

Instale los pernos de anclaje.

⚠ **Selle el cielo raso alrededor de los pernos de anclaje con un sellador impermeable.**

⚠ **Selle el cielo raso alrededor de la pieza de montaje con un sellador impermeable.**

8

Install the anchor plate.

---

Installez la plaque d'ancrage.

---

Instale la placa de anclaje.

9

Install the anchor plate screws and washers.

---

Installez les vis de la plaque d'ancrage et les rondelles.

---

Instale los tornillos de la placa de anclaje y las arandelas.

Wrap the threads on the mounting piece using plumber's tape.

Install the extension pipe.

Tighten the extension pipe using a 10 mm Allen wrench.

Enroulez les filets sur la pièce de montage à l'aide de ruban de plomberie.

Installez le tuyau d'extension.

Serrez le tuyau d'extension à l'aide d'une clé hexagonale de 10 mm.

Envuelva las roscas en la pieza de montaje con cinta de plomero.

Instale el tubo de extensión.

Ajuste el tubo de extensión con una llave Allen de 10 mm.

Push the escutcheon over the extension pipe and against the ceiling.

Poussez l'écusson sur le tuyau d'extension et contre le plafond.

Empuje el escudo sobre el tubo de extensión y contra el cielo raso.

If using a showerhead that includes a #98942XX0 safety ring, loosen the safety ring using a 2 mm Allen wrench.

Remove the safety ring.

Si vous utilisez une pomme de douche munie d'un anneau de sécurité n° 98942XX0, desserrez la vis de l'anneau de sécurité à l'aide d'une clé hexagonale de 2 mm.

Retirez l'anneau de sécurité.

Si está usando un cabezal de ducha que incluye un aro de seguridad N.º 98942XX0, afloje el tornillo del aro de seguridad con una llave Allen de 2 mm.

Retire el aro de seguridad.

Install the showerhead. Tighten using a 17 mm wrench.

Installez la pomme de douche. Serrez à l'aide d'une clé de 17 mm.

Instale el cabezal de la ducha. Ajuste con una llave de 17 mm.

## Cleaning Recommendation for Hansgrohe Products

---

Modern bathroom faucets, kitchen faucets and shower products are made from different materials to comply with the needs of the market with regard to design and functionality. To avoid damage to the product, it is necessary to take proper care of it.

### For best results:

- Prevent the buildup of mineral scale and /or soap residue by cleaning your Hansgrohe product(s) when needed.
- Select a cleaning agent specifically intended for the type of product.
- **Do not** use these types of cleaners as they will cause damage to your Hansgrohe product:
  - ✗ Any cleaning agent containing hydrochloric acid, formic acid, lye, or acetic acid.
  - ✗ Abrasive cleaning powders, pads, or brushes.
  - ✗ Steam cleaners.
  - ✗ “No rinse” cleaning agents.
- **Always** follow the instructions provided by the manufacturer of the cleaning agent.
- **Do not** mix cleaning agents, unless directed by the manufacturer.
- **Do not** spray cleaners directly onto the product as drops could enter openings and gaps and cause damage. When using spray cleaners, spray the cleaner onto a soft cloth or sponge.
- **Always** rinse your Hansgrohe product thoroughly with clear water and polish dry with a soft cloth after cleaning.

### Important

- Residue from soaps and shampoos can cause damage. Rinse the product with clean water after each use.
- Residue from basin/tub/tile cleaner can cause damage to faucets and fittings. Immediately rinse any overspray from the Hansgrohe product.
- **Do not** store any cleaning agents under your Hansgrohe product, such as in a vanity unit, as the fumes may damage the product.
- **Damage to the product caused by improper care or the use of improper cleaning agents is not covered by the warranty.**
- **If a component of the product is damaged, replace it to reduce the risk of personal injury, property damage or product failure.**

## Conseil de nettoyage pour les produits Hansgrohe

---

Les robinets pour les salles de bains et les cuisines modernes ainsi que les produits récents pour les douches se composent de matériaux différents afin de satisfaire aux besoins du marché en termes de conception et de fonctionnalité. Afin d'éviter d'endommager le produit, il est nécessaire d'en prendre soin.

### Pour de meilleurs résultats :

- Empêchez l'accumulation de tarte et/ou de résidu de savon en nettoyant votre produit Hansgrohe lorsque c'est nécessaire.
- Sélectionnez un produit de nettoyage spécifiquement prévu pour ce type de produit.
- **N'utilisez pas** ces types de nettoyeurs car ils peuvent endommager votre produit Hansgrohe :
  - ✗ Tout produit de nettoyage contenant de l'acide chlorhydrique, de l'acide formique, de la potasse ou de l'acide acétique.
  - ✗ Les poudres de nettoyage, les tampons ou les brosses abrasives.
  - ✗ Les nettoyeurs à vapeur.
  - ✗ Les produits de nettoyage « sans rinçage ».
- **Ne mélangez pas** les produits de nettoyage, à moins que cela soit indiqué par le fabricant.
- **Ne pulvérisez pas** les nettoyeurs directement sur le produit car des gouttes pourraient entrer dans les ouvertures et les fentes et causer des dommages. Lorsque vous utilisez des nettoyeurs par pulvérisation, pulvérisez le nettoyeur sur un chiffon ou une éponge douce.
- Après le nettoyage rincer abondamment à l'eau claire pour éliminer intégralement les restes de détergent.

---

## Important

- Les residus de produits pour le corps comme les savons liquides, shampooings, gels de douche, teintures pour cheveux, parfums, après-rasage et vernis à ongles peuvent causer des détériorations. Rincez le produit avec de l'eau propre après chaque utilisation.
- Le résidu provenant des nettoyeurs pour cuvette/baignoire/carrelage peut endommager les robinets et les raccords de tuyauterie. Rincez immédiatement toute surpulvérisation sur le produit Hansgrohe.
- De même, il est interdit de stocker des détergents ou des produits chimiques sous les produits, par ex. dans un meuble sous lavabo, car les vapeurs qui s'en dégagent risquent d'abîmer les produits.
- **Les dommages au produit causés par un mauvais entretien ou par l'utilisation de produits de nettoyage inadéquats ne sont pas couverts par la garantie.**
- **Si un composant du produit est endommagé, remplacez-le pour réduire les risques de blessures, de dommages matériels ou de défaillances du produit.**

---

## Recomendación de limpieza para los productos de Hansgrohe

Hoy en día, las griferías de baño y de cocina así como duchas modernas se componen de materiales muy distintos para satisfacer las exigencias del mercado respecto al diseño y la funcionalidad. Para evitar daños y reclamaciones hay que tener en cuenta ciertos aspectos tanto en el uso como en su limpieza.

### Para obtener mejores resultados:

- Evite la acumulación de restos de jabón o sarro limpiando el producto Hansgrohe cuando sea necesario.
- Seleccione un agente de limpieza diseñado específicamente para el tipo de producto.
- **No** use estos tipos de limpiadores, ya que causarán daño a su producto Hansgrohe:
  - ✗ Agentes limpiadores que contengan ácido clorhídrico, fórmico, acético o lejía.
  - ✗ Polvos, paños o cepillos de limpieza abrasivos.
  - ✗ Limpiadores a vapor
  - ✗ Agentes de limpieza "sin enjuague".
- **Siempre** siga las instrucciones provistas por el fabricante del agente de limpieza.
- **No** mezcle los agentes de limpieza, a menos que esté indicado por el fabricante.
- **No** rocíe limpiadores directamente sobre el producto, ya que podrían caer gotas sobre las aberturas y espacios y causar daños. Cuando use limpiadores en spray, rocíe el limpiador sobre un paño suave o esponja.
- **Siempre** enjuague su producto Hansgrohe con agua limpia y séquelo y lústrela con un paño suave después de la limpieza.

### Importante

- Los residuos de productos de aseo como jabón líquido, champú, gel de ducha, tintes de pelo, perfumes, lociones de afeitado y esmalte de uñas pueden dañar también los materiales. Enjuague el producto con agua limpia después de cada uso.
- Los residuos de limpiadores para lavatorios, bañeras o azulejos pueden causar daño a los grifos y accesorios. Enjuague inmediatamente cualquier derrame que haya sobre el producto de Hansgrohe.
- Tampoco pueden generarse depósitos de productos de limpieza o químicos debajo de los productos, p. ej. en un armario de lavabo. De lo contrario, los vapores generados pueden dañar los productos.
- **Los daños que resulten de un cuidado inadecuado o uso de agentes de limpieza inadecuados no están cubiertos por la garantía.**
- **Si un componente del producto está dañado, reemplácelo para reducir el riesgo de lesiones personales, daños a la propiedad o fallas del producto.**

# Hansgrohe, Inc. Limited Warranty

Offering our customers the highest quality at all times is a fundamental part of the Hansgrohe, Inc. company philosophy. We offer consumers a limited warranty on our hansgrohe® and AXOR® branded products.

This warranty is limited to products manufactured by Hansgrohe, Inc. that are purchased from a Hansgrohe, Inc. authorized seller by a consumer in the United States or Canada after September 1, 2019, and installed in either the United States or in Canada.

## WARRANTY

Hansgrohe, Inc. warrants to the original consumer purchaser that hansgrohe and AXOR products will be free from defects in material and workmanship for as long as the original consumer purchaser owns both the product and the home in which the product was originally installed. For commercial purchasers, the warranty period is (a) one (1) year for hansgrohe products and (b) five (5) years for AXOR products, in each case from the date of purchase. The warranty period for products in the Rubbed Bronze, Matte Black and Matte White finishes are three (3) years from the date of purchase. This warranty is non-transferable.

## WHAT WE WILL DO

Hansgrohe, Inc., at its option, will replace any product or part of the product that proves defective in workmanship and/or material, under normal installation, use, service and maintenance. If Hansgrohe, Inc. is unable to provide a replacement part or product and repair is not practical or cannot be made in timely fashion, Hansgrohe, Inc. may elect to refund the purchase price in exchange for the return of the defective product. REPAIR OR REPLACEMENT (OR, IN LIMITED CIRCUMSTANCES, REFUND OF THE PURCHASE PRICE) AS PROVIDED UNDER THIS LIMITED WARRANTY IS THE EXCLUSIVE REMEDY OF THE PURCHASER.

## WHAT IS NOT COVERED BY THE WARRANTY

Because Hansgrohe, Inc. is unable to control the quality of hansgrohe or AXOR products sold by unauthorized sellers, unless otherwise prohibited by law, this warranty does not cover hansgrohe or AXOR products purchased from unauthorized sellers. Authorized sellers can be found on hansgrohe and AXOR branded websites.

Labor and other expenses for disconnection, deinstallation, or return of the product for warranty service (including but not limited to proper packaging and shipping costs), or for installation or reinstallation of the product are not covered by this warranty.

Hansgrohe, Inc. shall not be liable for any damage to the product resulting from

- reasonable wear and tear
- outdoor use
- misuse (including use of the product for an unintended application)
- freezing water
- excessive water pressure
- pipe corrosion in the home in which the product is installed

- abuse, neglect or improper or incorrectly performed installation, maintenance or repair, including the use of abrasive or caustic cleaning agents or “no-rinse” cleaning products.

This warranty does not cover: (i) accessories, connected materials and products, or related products not manufactured by Hansgrohe, Inc. (ii) any hansgrohe or AXOR product sold for display purposes or (iii) hansgrohe or AXOR products purchased from unauthorized sellers.

## WHAT YOU MUST DO TO OBTAIN WARRANTY SERVICE OR INFORMATION

Contact your retailer, or contact Technical Service at:

Hansgrohe, Inc.  
1492 Bluegrass Lakes Parkway  
Alpharetta, GA 30004  
Toll-free 800 -334- 0455

In requesting warranty service, you will need to provide:

1. The sales receipt or other evidence of the date and place of purchase.
2. A description of the problem.
3. Delivery of the product or the defective part, postage prepaid and carefully packed and insured, to:

Hansgrohe, Inc.  
1492 Bluegrass Lakes Parkway  
Alpharetta, GA 30004  
Toll-free 800 -334- 0455

When warranty service is completed, any repaired or replacement product or part will be returned to you postage prepaid.

REVISED SEPTEMBER 1, 2019.

**Limitation on Duration of Implied Warranties:** Some States do not allow limitations on how long an implied warranty lasts, so the below limitations may not apply to you. TO THE MAXIMUM EXTENT PERMITTED BY APPLICABLE LAW, ANY IMPLIED WARRANTY, INCLUDING THE IMPLIED WARRANTIES OF MERCHANTABILITY AND OF FITNESS FOR A PARTICULAR PURPOSE, IS LIMITED TO THE STATUTORY PERIOD OR THE DURATION OF THIS WARRANTY, WHICHEVER IS SHORTER.

**Limitation of Special, Incidental or Consequential Damages:** Some States do not allow the exclusion or limitation of incidental or consequential damages, so the below limitations and exclusions may not apply to you. TO THE MAXIMUM EXTENT PERMITTED BY APPLICABLE LAW, THIS WARRANTY DOES NOT COVER, AND HANSGRÖHE, INC. SHALL NOT BE LIABLE FOR, ANY SPECIAL, INCIDENTAL OR CONSEQUENTIAL DAMAGES (INCLUDING LABOR CHARGES TO REPAIR, REPLACE, INSTALL OR REMOVE THIS PRODUCT), WHETHER ARISING OUT OF BREACH OF ANY EXPRESS OR IMPLIED WARRANTY, BREACH OF CONTRACT, TORT, OR OTHERWISE. HANSGRÖHE, INC. SHALL NOT BE LIABLE FOR ANY DAMAGE TO THE PRODUCT RESULTING

FROM REASONABLE WEAR AND TEAR, OUTDOOR USE, MISUSE (INCLUDING USE OF THE PRODUCT FOR AN UNINTENDED APPLICATION), FREEZING WATER, EXCESSIVE WATER PRESSURE, PIPE CORROSION IN THE HOME IN WHICH THE PRODUCT IS INSTALLED, ABUSE, NEGLIGENCE OR IMPROPER OR INCORRECTLY PERFORMED INSTALLATION, MAINTENANCE OR REPAIR, INCLUDING THE USE OF ABRASIVE OR CAUSTIC CLEANING AGENTS OR "NO-RINSE" CLEANING PRODUCTS.

**Notice to residents of the State of New Jersey:** The provisions of this warranty, including its limitations, are intended to apply to the fullest extent permitted by the laws of the State of New Jersey.

This warranty gives you specific legal rights, and you may also have other rights which vary from state to state.

## PRODUCT INSTRUCTIONS AND QUESTIONS

Upon purchase or prior to installation, please carefully inspect your product for any damage or visible defect. Prior to installing, always carefully study the enclosed instructions on the proper installation and the care and maintenance of this product.

If you have questions at any time about the use, installation or performance of your product, or the Limited Warranty, please write us or call us toll-free at 800-334-0455.
