Notes

Measure your actual product for rough-in details.

Install this product according to the installation
instructions.

The hot water supply should be 70% of the
capacity of the bath or greater. Installations will
vary.

Provide one grounded electrical outlet within 24"
(610 mm) of each component.

Remote blower installation kit is available for
relocating the blower. Provide access for servicing
the blower.

Do not relocate or alter the PVC tee or coiled
flexible tubing connected to the blower. Follow
the blower relocation instructions exactly.

ADA compliant when installed to the specific
requirements of these regulations.
